Terms and Conditions

The provision of Taburu Solutions ICT service is subject to Taburu Solution's terms and conditions although not specifically contained herein.

Taburu Solutions cannot guarantee the provision of services upon receipt of an application form. Please note that all domain registration are subject to domain availability and a waiting period of 48 hours. Email addresses can only become functional upon successful registration of domain.

This agreement shall commence on the date of signature by the last party signing it and shall continue for an uninterrupted period of 24 (twenty four) calendar months.

In the event that the customer terminates this agreement at any time before the agreement expires at the end of the 24 (twenty four) months period, Taburu Solutions shall charge a termination fee equal to the subscription fee for the remaining months under the service term minus a 50% discount fee.

The domain name, email address, internet devices and laptops shall remain the property of the client when the contract expires at the end of the 24 (twenty four) month period. If the client decides to terminate the contract before it expires then he or she shall forfeit all the rights pertaining to the domain, the laptop, email addresses and internet devices.
